Attn: Office of PCT Legal Administration
Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On January 21, 2004, Applicants requested the withdrawal of the improper Notice of Abandonment (mailed December 4, 2003). The grounds for the abandonment was stated to be the failure to respond to the notification of missing requirements purportedly mailed on February 1, 2002. A thorough review of the file for the above-identified application and the attorney docketing system's records reveals that a notification of missing requirements was never received.

The Applicants' request was treated as a petition under 37 C.F.R. §1.181 for which no petition fee is required. In a Decision dated August 20, 2004, the Patent Office stated that Applicants have failed to satisfy all the requirements for a grantable petition because Applicants failed to provide "a copy of the office docket for counsel's office for the date a response to the Notification was due, i.e., 01 April 2002." Decision at p. 2.

Reconsideration on the merits is requested in view of the copy of the office docket for the entirety of counsel's office, Morgan & Finnegan, for April 1, 2002, which is annexed as Exhibit A. This office docket shows that on April 1, 2002 there was no response due for a Notification Of Missing Requirements for any patent application being handled by Morgan & Finnegan. The undersigned attorney of record again states that a thorough review of the file for the above-identified application and the attorney docketing system's records reveals that a notification of missing requirements was not received prior to the August 20, 2004 Decision to which it was attached. Applicants respectfully submit that the requirements for a grantable petition set forth in MPEP § 711.03(c)(II) have been satisfied.

By separate paper filed herewith, Applicants have filed the materials required by the Notification of Missing Requirements, i.e., an oath or declaration in compliance with 37 C.F.R. 1.497.

CONCLUSION

The grounds for Notification of Abandonment (mailed December 4, 2003) is improper because the underlying Notification of Missing Requirements was never received. Therefore, Applicants respectfully request that the Notification of Abandonment be withdrawn.

Respectfully submitted,
MORGAN & FINNEGAN, L.L.P.

Dated: October 19, 2004
